WHO WE ARE...

The age of internet today has made it possible for anyone, to shop anywhere, in any part of the world. However, the actual store still remains the best place for interaction between the brand and the customer with optimum market presence. The store therefore, must provide memorable and convenient shopping experience to the customer.

Retail Shop Fittings makes these experiences happen because we relate to the brand's needs to impress upon its customers. We have carefully selected and perfected our partnerships with our suppliers, who have, for over five decades now, modernized, planned and furnished thousands of supermarkets, hypermarkets and discounters in Europe. From discount shops that demand high functionality to large format hypermarkets that need professionally structured sales areas and premium supermarkets that wish to offer their customers the special shopping atmosphere - Retailshopfittings supplies the optimum design for all types of stores. For this, we rely on strong local partners, thus combining market proximity and shop fitting expertise.

Supported by an arsenal of more than 50 highly skilled personnel, Sitting on our position today, we can proudly announce that ours has been a 'systematic success', on account of our commitment for innovation, sustainability, cooperative concept development and professional project implementation the right mix that provides our customers with outstanding product and service quality along with optimum market presence.
